This is to advise your Board that the Department of Health Services (DHS) is exercising its delegated authority, approved on July 15, 2008, authorizing the Director of DHS, or his authorized designee, to extend the term for 16 Strategic Initiative Program Services Agreements for one additional year through June 30, 2010 upon review and approval by County Counsel and the Chief Executive Office (CEO).

The term of 15 of the 16 Strategic Initiative Program Services Agreements has been extended for one additional year through June 30, 2010. DHS has been advised that QueensCare Family Clinics has requested not to extend the term of their Agreement, because the contractor will not be able to see enough patients that fit the eligibility criteria in the coming fiscal year.

*To improve health
through leadership,
service and education.*

County Counsel and the CEO have reviewed and approved the Amendments to extend the Strategic Initiative Program Services Agreements as to form. All other Agreement terms, conditions and restrictions remain unchanged and in full effect.

If you have any questions or require additional information, please let me know.
